

ANNOUNCING!!

AAPC CPC® ONLINE TRAINING AT TXCC

Texas Career Center is the only AAPC-approved vocational school in Dallas/Fort Worth, and we now offer a premier online education opportunity for aspiring CPCs! We are merging our excellent AAPC approved CPC-I instructors with the AAPC's Online Professional Medical Coding Curriculum (PMCC) to create the optimal learning experience for those who seek to achieve the CPC® credential.

The Advanced Coding online class at Texas Career Center includes all the AAPC CPC® online course training material, PLUS MORE!

FAST FACTS & BENEFITS:

- 80 hours of comprehensive interactive online course material, plus over 40 quizzes and proficiency exams
 - A mini 50-question practice exam with unlimited retakes
 - A 3-hour timed mid-term exam consisting of 75 questions; designed to evaluate your knowledge and test-taking skills for a timed environment
 - A 5-hour 40-minute timed mock certification exam consisting of 150 questions taken directly from the AAPC proprietary test bank; this mock exam mimics the CPC® exam and is the best preparation for accuracy and timing to pass the CPC® exam
- A library of specialty webinars taught by an AAPC-approved CPC-I instructor. The webinar sessions will cover the most complex areas of study in the PMCC curriculum to aid the student in comprehension and application of these theories.
 - Includes a free CPC® Prep and Review webinar to provide the tricks and tips of CPC® test-taking, explain how to prepare and highlight your coding books for optimal reference during the exam, practice the "rule-out" methodology of test taking, and identify the most-missed coding concepts on the CPC® exam.
- Includes the PMCC textbook
- Includes the complete coding book bundle (CPT, HCPCS and ICD-10-CM)
- Provides access to the PMCC online content for 16-weeks with the option to extend on a month-by-month basis as needed.
- **Local online students** may participate in up to three face-to-face classroom sessions at Texas Career Center's campus at no additional charge. Advanced Coding class schedules may be accessed [online](#) or by contacting Texas Career Center.
- Discount on AAPC student membership fee by attending AAPC-approved courses.
- Discount on the AAPC fee for taking the CPC® exam with one free retake (\$300 instead of \$380)

- Ability to communicate directly with an instructor via email with questions. Emailed questions will receive a 24-hour response Monday-Friday. Questions received after 3:00 p.m. on Friday will be answered by Tuesday at 3:00 p.m.
- 6 months of free coding Q&A advice **post-training** to help the newly credentialed coder as they enter the workforce. TXCC students may submit questions through a devoted email and receive this support from the time they complete training for a period of six months. Emails will be answered by an AAPC approved coding instructor.

PAYMENT OPTIONS:

Texas Career Center offers a flexible payment plan to allow students freedom to begin their career training as soon as possible. The cost of the class is \$1,990 and includes a textbook and coding books which are ordered at the time of enrollment. Students who elect to finance their online training must provide a credit card on file for three auto payments. A down-payment of \$750 is required at the time of enrollment and the remainder of the balance is paid in three payments.

<u>Course</u>	<u>Price</u>	<u>SC 10%</u>	<u>Total</u>	<u>Down Payment</u>	<u>3-Monthly Payments</u>
PMCC Course	\$1,990	\$199	\$2,189	\$749	\$480
